WORK EXPERIENCE

NORTHGATE TECHNOLOGIES INC.
Quality Assurance Intern (Hardware)

Quezon City, Philippines
July 2025 – November 2025

- Performed quality inspection and functional testing of IT hardware including desktops, laptops, networking devices, and CCTV systems prior to client deployment
- Identified, documented, and reported hardware defects and configuration issues to technical engineers for corrective action
- Assisted in troubleshooting, preventive maintenance, and validation of repaired units to ensure compliance with service standards
- Collaborated with technical and field teams to verify system configurations, installations, and overall product reliability before release

UNIVERSITY PROJECTS

Lead Developer – ZzomBANG (Game Development Project) 2025

- Led development and maintenance of system documentation including technical manuals, data dictionaries, and use case diagrams.
- Collaborated with team members to deliver a functional and user-focused game system.

UI Designer – LegRoom (Culinary Platform Project) 2024

- Designed responsive UI layouts for desktop and mobile platforms using Figma.
- Focused on user experience, clean aesthetics, and intuitive navigation.

Documentation Lead – Valgrow (Capstone Project) 2025

- Managed and organized comprehensive project documentation to support system development.
