**Name of Company:** NORTHGATE TECHNOLOGIES INC.  
**Company Address:** 59 Tinagan Street, San Jose Quezon City, Philippines 1115  
**Site Internship Supervisor:** Ms. Roselily Vargas

Accomplish in computerized format. Submit this document to your OJT Coordinator at the end of each week. May add additional sheets if necessary. Indicate "N/A" if not applicable.

| DATE             | DAY       | TIME IN | TIME OUT | LOCATION                                                  | ACTIVITIES                                                                                                                                                                                                |
|------------------|-----------|---------|----------|-----------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| October 27, 2025 | Monday    | 8:00AM  | 6:00PM   | 59 Tinagan Street, San Jose Quezon City, Philippines 1115 | Tested LG digital signages (43" and 49") for Jollibee's advance orders and checked 650VA UPS units for proper power backup performance.                                                                   |
| October 28, 2025 | Tuesday   | 8:00AM  | 6:00PM   | 59 Tinagan Street, San Jose Quezon City, Philippines 1115 | We tested UPS units (650VA and 1000VA), laptops, switches, and projectors to ensure performance, safety, reliability, and battery efficiency before release.                                              |
| October 29, 2025 | Wednesday | 8:00AM  | 6:00PM   | 59 Tinagan Street, San Jose Quezon City, Philippines 1115 | We tested UPS units (650VA and 1000VA), digital signages, laptops, and desktops to ensure proper functionality, safety, reliability, and warranty compliance before deployment and inspection of laptops. |
| October 30, 2025 | Thursday  | 8:00AM  | 6:00PM   | 59 Tinagan Street, San Jose Quezon City, Philippines 1115 | Today, we performed hashing on Asus ExpertBook laptops (LT3), as well as quality checks on Vertiv UPS units (650VA and 1KVA) for Jollibee. We also worked on 43-inch digital signages.                    |
| October 31, 2025 | Friday    |         |          |                                                           | Holiday                                                                                                                                                                                                   |
